WHAT'S HAPPENING IN THE CHAPTER

ASSP SACRAMENTO HOSTS RACHEL CONN AT SMUD

Rachel Conn provided an overview of the most frequently cited Cal/OSHA violations and explained how understanding these trends can help employers strengthen compliance programs, reduce enforcement risks, and better prepare for inspections. Drawing on her extensive experience in occupational safety and health law, she highlighted commonly cited regulations across industries, discussed California-specific requirements that differ from federal OSHA standards, and shared insights into how unique Cal/OSHA regulations influence agency actions during inspections and enforcement proceedings.

CONGRATULATIONS!

ASSP SACRAMENTO RECEIVES PLATINUM CERTIFICATION 25-26

The platinum chapter designation is awarded to chapters that meet rigorous standards of excellence as established by ASSP. Sacramento has received the honor of being a Platinum Chapter for the fourth year in a row. We thank everyone who has contributed to this effort and look forward to another successful year in 26-27!

FEEDBACK REQUESTED

LET YOUR VOICE BE HEARD: ANNUAL CHAPTER SURVEY

As a valued member of the 4X-Platinum Sacramento ASSP Chapter, your feedback helps shape the future of our programs and services. Please take a few minutes to complete our brief member survey and share your thoughts on the value of your membership, the programs and events you'd like to see in the coming year, and how you prefer to hear from us. Your input will help guide chapter planning and ensure we're delivering the content, education, and networking opportunities that matter most to you. Members may also choose to enter a prize drawing by providing their email address at the end of the survey, or remain completely anonymous. Thank you for helping us make our chapter even stronger.

GET INVOLVED

BSP, HSP, AND WISE

Get involved and expand your professional network by joining one of Sacramento ASSP's Common Interest Groups: Black Safety Professionals (BSP), Hispanic Safety Professionals (HSP), or Women in Safety Excellence (WISE). These groups enhance the member experience by creating opportunities to connect with peers, share ideas, support one another's professional growth, and build more inclusive safety communities. Participation also offers valuable leadership development opportunities and a chance to make a meaningful impact within both our local chapter and the broader safety profession. Reach out to Sixtus Aliriagwu, Diana Guzman, and Simone Sumeshwar to learn more.
